

A photograph of a residential courtyard. In the foreground, there are several large wheeled trash bins: one blue, one yellow, and two black. A metal gate with a diamond-patterned mesh is closed in the middle ground. Behind the gate is a yellow building with arched windows and a red-tiled roof. A small evergreen tree stands to the right of the gate. The ground is paved asphalt. The text 'parcels number 170/5' is overlaid in red in the lower right area.
